ARE YOU HAVING DIFFICULTY DEALING WITH A FEDERAL AGENCY?

One of my important responsibilities as your Representative is to assist you if you experience difficulty with a federal agency. Although I cannot overrule an agency decision, I can intercede on your behalf in order to clarify matters, seek answers to your questions, and streamline your access to information via a Congressional inquiry. The most common agencies for which I receive requests for assistance include, but are not limited to:

- Social Security and Medicare (SSA)
- Veterans Administration (VA)
- US Citizenship and Immigration Service (USCIS)
- Internal Revenue Service (IRS)
- Department of Defense (DOD)
- National Flood Insurance Program (NFIP)

In all cases, you must complete a privacy authorization form in compliance with the Privacy Act of 1974. This form authorizes me to contact a federal agency on your behalf. You may access the form on my website, www.rohrbacher.house.gov or contact my district office at 714-960-6483.

U.S. FLAGS- FLOWN OVER OUR NATION'S CAPITOL

I am pleased to help you purchase an American flag flown over our Nation's Capitol. You may request the flag to be flown on a specific date and dedicated to a person or organization for a special event. Each flown flag is individually boxed and accompanied by a certificate that memorializes your fly-date and dedication details. For more information and pricing, visit my website www.rohrbacher.house.gov or call my office; 714-960-6483

The expert in anything was once a beginner.

CONGRESSIONAL DISTRICT INTERNSHIP

I invite hard-working, self-motivated college students to apply for unsalaried Congressional internships in my Huntington Beach district office. Successful applicants gain valuable experience working alongside district staff who respond to constituent requests for assistance, draft casework correspondence, conduct research, manage databases, and attend community events. Interns must have basic administrative skills and a motivation to work hard in a small office environment. **How to apply:** Send a cover letter and resume to **Alexander.Gonzalez@mail.house.gov**.
